## MILTON MEATS

All beef burgers and steaks are from grass-fed local beef, hand selected for us.

# 'OH!!' FOR ORGANIC WINES

We've all heard of organic wine, but what does it really mean? In a nutshell, organic wine is made using organically farmed grapes... meaning no use of artificial or synthetic chemicals, such as herbicides or pesticides.

When you get a minute to 'wine' down, try one of our organic, preservative free, vegan-friendly options from our summer wine list. To get your taste buds going:

## ANGOVE ORGANIC CUVEE BRUT

ORGANIC  
CARBON NEUTRAL  
VEGAN FRIENDLY

PRESERVATIVE FREE  
CARBON NEUTRAL  
VEGAN FRIENDLY
